Ataxx... the mind-bending game of skill & strategy for 1 or 2 players. You maneuver your "Globos" into position to capture your opponent's Globos. But while you're attacking them, they're trying to attack you. The one with the most Globos at the end of the game is the winner. Sound simple? Well, each level of Ataxx is tougher than the one before. Ataxx features new opponents, constant challenges and a compulsive game play that pulls players back again and again.
